Newsletter

11th September 2008

It has been wonderful to welcome all our families, new and old to school for the start of a new year. The children look refreshed and eager to learn and there is a real buzz around school. I hope that this will be a successful year for everyone. We look forward to working with you to ensure the very best outcomes for your child. Classrooms will be open for you to visit as well as meet your child's new class teacher on Wednesday 17th September until 4pm.

Well done everyone for negotiating the building works – entrance changes. We are beginning to see how the new entrance will look and whilst it is exciting there is much still to do. We very much hope that in the next few weeks we will be able to migrate to the new area. Please watch this space.

I would like to urge all vehicle users to consider how and where they park when dropping off and picking up children from school. The local residents have sadly reported several incidents where cars have parked across drives, mounted kerbs and generally created an unsafe environment for pedestrians. I have been advised that car registrations are being noted by residents and forwarded to the Police. I hope that common sense can prevail and due consideration be given to our local residents.

Our new website is almost complete and final touches are being added. We hope that you will find it a useful source of information. We hope to feature pupil's work as well as school developments.

The staff, are offering the clubs detailed below. Please use the Club's Slip attached. It may be that new clubs are offered and we will advertise them in due course. All clubs will finish at 4pm unless otherwise stated and children will exit onto the KS1 playground via the temporary front door. Clubs will only be cancelled as a last resort. It may be that other staff will cover in the event of staff absence.

Club	Start date	Staff
Gym Club Y5/6	24/09/08 Weds	Miss Remnant
