

Werrington Primary School Newsletter July 2010

Dear Parents/Carers

Reception

Reception have been working very hard this term on our topics of Butterflies, World Cup and Moving On and our exciting International Week! They have spent time with their new teachers and are now very excited and ready for Year 1. We will miss them next year but would like to wish them luck for their school journey ahead.

We would like to thank all Reception parents and carers for all your support this year and would like to wish you a very happy and restful summer. Thank you so much for your kind cards and gifts, we really are overwhelmed!

Year 1

This has been a wonderful term for Year 1 with our focus being on growing! We have learnt lots of interesting facts and grown an amazing array of plants including our sunflowers and pumpkins. Our assembly was a great success and we worked hard to learn our lines and perfect our wonderful singing voices!

As well as all this hard work, we also enjoyed being whisked away to France and the USA on Werrington Airlines! We enjoyed learning about the different countries and even picked up a bit of their lingo!

We are looking forward to the exciting things we will learn in Year 2.

Year 2

This half term Year 2 have enjoyed learning all about sea creatures and their environment. We had a lovely day at Hunstanton and enjoyed making lots of things on Beach Day.

Miss Woodliffe and Miss Remnant would like to thank the children for all their hard work and wish them a happy holiday.

Year 3

This half term, Year 3 has been celebrating all things Roman with their assembly. We sang, danced, soldiered and slaved our way to the end of our production, which was enjoyed by adults and children alike. We have visited Burghley Sculpture Park and the Gardens of Surprise, which was a super day, despite the less than super weather! We made clay tiles, investigated the different sculptures and got soaking wet – a great day was had by all!

Thank you to the parents and carers, for your support this year, and thank you to the children for all your hard work!

Year 4

This term has seen year 4 pupils travelling around the world to study America and Canada for international week, and also travelling through time to find out all about life in Tudor times. As well as discovering strange Tudor medicines, such as butter coated spiders, we have built Tudor warships and experienced a real Tudor banquet at the cathedral with fantastic costumes to help us get into role. We have shown our sporty sides too with fun swimming sessions, great teamwork at sports day and show-stopping performances at the Cresset theatre and open evenings. To round off our work on caring for animals started earlier in the year, we visited Wood Green animal shelter. We fell in love with the dogs, kittens, ponies and rabbits – and Mr Moody and Mrs Standen were very tempted to adopt 2 guinea pigs (Big Foot and Yeti) and bring

them back to school! However we had to resistmaybe next time?!

Year 5

As the summer term draws to a close, we would like to take the opportunity to wish the year group success in Year 6.

We have enjoyed an Egyptian craft day, working with clay and baking authentic flat bread. Children also experienced International Week, after a 'flight' whisked each class off to a mystery destination. The children took part in a range of activities from the artistic to taxing maths.

Both Miss Bland and Mr Forman would like to wish everyone an enjoyable and restful summer break and look forward to seeing everyone in September for the new school year.

Year 6

Wow! What an incredible year! This term we have all been very focused on producing an amazing end of year performance of 'Alice in Wonderland' which I'm sure you will agree was an absolute success.

In addition to this, the children have been revving up for secondary school, enjoying their primary days and transition meetings.

Thank you for all your continued help and support.

We wish the children a successful future, please keep in touch.

Miss Gedge and Mr Efford

Reminder

School re-opens on Thursday 2nd September, 2010.
