

# Foundation Stage Unit News Letter

Happy New Year to all of you, we hope you had a restful and enjoyable Christmas. May we take this opportunity to thank you all for your kind cards and gifts.

Over the next two weeks, we will be carrying out our Take One Picture project along with the rest of the school. The picture that we are using as a stimulus can be found on the school website.

The children will be:

- Measuring using non-standard and standard measurements.
- Making umbrellas.
- Making fact sheets about themselves.
- Experimenting with wind and umbrellas.
- Re-creating part of the painting.
- Playing old-fashioned games.

The children will be continuing letters and sounds. Some children will re-visit phase 2 letter sounds and names, blending the sounds together to read small words. The remaining children will be introduced to :

set 6	j v w x
-------	---------

For the first half-term the home activities will have a number focus.

## Notices

Unless otherwise advised KS1 letters will also include reception.

Please can we remind you that water bottles kept in the classroom must only contain water, not flavoured water or juices.

Due to the amount of lost clothing within the reception unit, we are going to have our own lost property box.
