Dear Parents and Carers,  
What an amazing week of Christmas performances we have had! Well done Reception for performing a wonderful Nativity and Year 4 you were amazing in Mr Humbug Sees The Light. What talent we have in school - not just on stage but with lighting, props and sound effects too! Christmas jumper day added to the festive feeling too on Thursday. Don't forget to get your raffle tickets back to be entered into the draw next Friday and have the chance of winning a fantastic Christmas hamper! Have a great weekend.

Best wishes

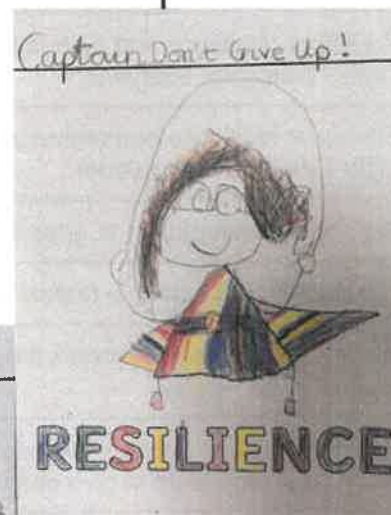

*Mr. Moody*

## School Noticeboard

12th & 14th Dec - KS1 Carol Singing 2.00pm at St Johns Church  
12th Dec - Flu vaccination mop up session  
12th Dec - Yr5 Athletics AMVC  
12th Dec - Yr1 & 2 Carol Concert  
13th Dec - Christmas Dinner Day  
14th Dec - Yr1 & 2 Carol Concert  
15th Dec - PTA Hamper Live Draw  
18th Dec - Online Panto  
20th Dec - KS2 Church Service  
20th Dec - Last Day of Term  
04th Jan - Back to School

**Class Attendance for the Week**  
3C - 97.6%

**Whole School Attendance for the Week**  
94.5%

## STARS OF THE WEEK

RSG	Everyone	For being amazing in our Nativity performances! Well done, we are super proud!
RM		
1AP	Hussain	For showing great resilience in writing and trying hard with your finger spaces. You wrote some super sentences about the old toys. Well done!
1W	Sophie	For showing wonderful resilience in writing. You wrote some super sentences when re-telling the Christmas story. Fantastic work!
2TA	Arthur	For always giving 100% effort to your work. Even when a task is difficult, you never give up and you always try your best, showing great resilience. Well done.
2S	Musa	For showing great resilience when learning your spellings. You have practiced and practiced, and again scored 5 out of 5. Well done!
3C	Harry	For showing resilience when writing a balanced argument in English. Well done!
3PC	Amelia	For using your resilience to keep working hard on improving your handwriting. What a great attitude!
4K	All of Y4	For super resilience and enthusiasm to learn and perform our play, Mr Humbug Sees the Light - Well done everyone!
4TB	All of Y4	For super resilience and enthusiasm to learn and perform our play, Mr Humbug Sees the Light - Well done everyone!
5M	Noah	For resilience in getting to grips with fractions and all the procedures we do with them.
5TW	Aleyah	For resilience in writing a fantastic diary extract.
6RN	Nathan	For showing resilience across the curriculum this week and putting in 100% effort into all areas.
6J	Olivia G	For showing amazing resilience in her maths work this week (and always!) and being so much more confident to give each method a go independently.

## Reception

The children have been amazing this week performing their nativity to family members and both Manor House Nursery and Village Playgroup. Everyone looked fantastic in their costumes and did a brilliant job at singing all of our songs and saying their lines.

This week we have also been on a walk to the post office to post our christmas letters to santa.

In phonics we have learnt two new sounds: I 'long log' and ll 'call the bell'. In maths we have continued our number of the week which is 4. As well as learning about the composition of numbers. E.G. 3 and 4. For this we have made different stampolines in the art area and outside with different blocks.

## Year 1

We have had another super week in Year 1 this week. In English, the children have been re-telling the Christmas story and have worked really hard at using their capital letters and full stops in their sentences. In Maths, we have continued to focus on numbers up to 20. The children have written all about the old toys that they played with last week from the toy museum and explained what they liked about them. They have also sorted animals into different groups including: fish, birds, reptiles, mammals and invertebrates in our Science lesson.

The children have continued to practise the songs for the carol concert next week and are looking forward to performing them to the parents at the church.

## Year 2

This week in Year 2 in English, we have begun our work on the book Mr Underbed by Chris Riddell. We have been asking questions about the pictures and writing words to describe the two main characters. In maths we have continued looking at 2D shapes. We have learnt about vertical lines of symmetry and have sorted shapes into Venn and Carroll diagrams according to their properties. We have learnt about Ramadan in RE this week and have begun making calendars in Art. In science we have been learning about the importance of recycling.

## Year 3

It has been another fantastic week in year 3!

In science, the children have been learning about forces. They took part in a science trail to see what would happen to play equipment if they used too much or not enough force. It was great to see the children working scientifically in order to do this. Well done year 3!

Also this week, year 3 went to Arthur Mellows to take part in the gym and dance festival. The children have been working very hard in their PE lessons in order to get ready for the event. They have been working on counts, unison and formation to ensure that their dance was in time with the music. The children performed brilliantly and it was a fantastic morning.

## Year 4

We are so incredibly proud of the children this week and their fantastic performances of Mr Humbug Sees the Light. They have worked so hard to learn their parts and worked as a super team to put on such a wonderful show. Great resilience and relationships Year 4!

## Year 5

This week we have been recapping all our fraction work in maths - we can find equivalents, simplify, add and subtract with different denominators and even work with mixed numbers. Well done Year 5! We have continued with Kensuke's Kingdom - and felt Michael's pain when he was brutally stung by jellyfish! Christmas jumper day really gave us a festive feeling and we will begin practising our carols for Loxley next week ready for our visit on 19th. If you have any odd bits of wrapping paper please could we collect them at school ready for an activity in class.

## Year 6

This week in Year 6 we have been tackling multiplying and dividing fractions in maths and the children have been amazing! They have approached it with resilience and determination. In English we have been debating who was to blame for the events in Clockwork - with lots of children writing fantastic written arguments for their chosen character. In PE the children are getting more and more accurate in volleyball, being able to control where their digs and volleys are aimed. We have also finished our art unit this week where the children have created their own still life compositions and then drawn and painted them.
