Do you have any comments regarding homework?							

**Model A – Current Model**

Pupils are issued homework as a year group which could involve tasks for the next day. Tasks **could** include letters and sounds, reading, number and class topic research but this may vary.

**Model B**

A whole school timetable for homework tasks so that parents and pupils know which day is which subject and completion times are standardised. A weekend is allowed in between completion times enabling parents to support and pupils to have time for completion if they have outside school club weekly commitments. Homework task **would always include** Letters and sounds/Spelling/Reading/Number work including tables and Number bonds/Topic research.
