

Head Teacher: Mrs R Simmons

24th October 2024

Dear parents / carers

School Meals Update

Menus for Term 2 are now available to view and book on ParentPay.

I write to inform you of the following changes regarding school meals which are being implemented after half term:

- Due to increasing costs, the price of school meals is increasing to £2.50 per meal.
- The deadline to order your child's school meal will be changing to **weekly**; the deadline will be every Wednesday evening (midnight), for all meals for the following week. This will aid ABM's food ordering and save food waste.
- It is suggested that school meals are ordered for the whole term.
- Children will still be able to have the choice of pasta or jacket potato on the day, if meals have not been ordered.

Yours sincerely

Mrs R Simmons
Headteacher
