

Dear Parent

Welcome to Werrington Primary School.

As the selected preferred supplier of school uniform for Werrington Primary School we at Chroma work in close partnership with the school to ensure that the process of selecting and purchasing school uniform is both simple and easy to do.

In order to help you achieve this we offer many differing ways in which you can purchase your uniform for your child, these include

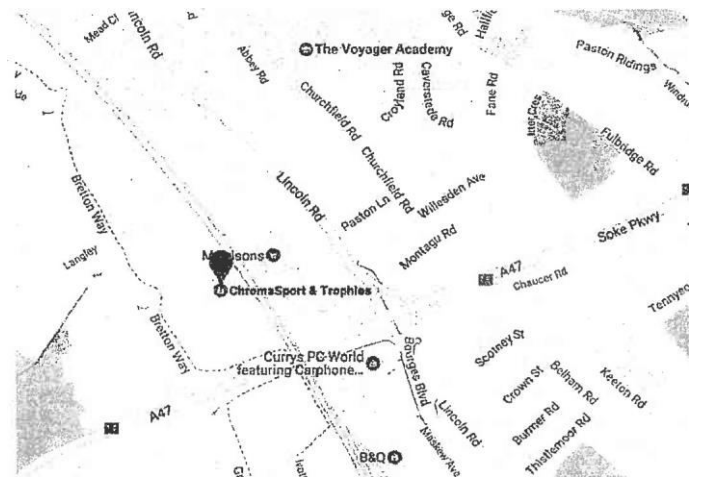

- Instore — where you can try on samples for sizing and comfort with your child(s)
- Online Store— Here you can browse and then select our full delivery service anywhere within the Greater Peterborough area
- Online Click & Collect This enables you to browse and select your uniform of choice online but still come to store to try and ensure that you have ordered correctly .

At Chroma we recognise this whole process can be a stressful experience and we aim to make this a joyful experience as possible as you venture into a new chapter of your child's life.

•Chroma is the No1 local supplier of school uniform in the Peterborough area, supplying over 35 schools including many senior schools that Werrington Primary School feed into.
